DAY 2 – DUBAI

Dubai is a city of ages that rises out of the desert and crowns the gulf coast with its presence, a melting pot of traditional culture and modernism. Your tour will take you on a journey through the old and new Dubai. First, stroll through the spice market, fish, fruit & vegetable market and the Gold Souk. Continue to the Bastakia area to view the traditional wind towers and the old Fahidi Fort, which is the Dubai History Museum today. Experience the traditional way of commuting over the creek by Abra (water taxi) to discover the new, modern Dubai.

We'll stop for photos of Burj Al Arab Hotel, which is known as one of the most luxurious hotels in the world. Then take a drive around the man-made Palm Jumeirah island and end with a photo-stop at the Atlantis Hotel.

Next, we'll drive to the world's tallest tower Burj Khalifah. Take the At The Top tour, a multi-media presentation on the history of Dubai as well as the story of this incredible building. You'll begin in the reception area and end on the observation deck on the 124th floor.

Then watch a performance of the Dubai Fountain, the world's largest dancing fountain.

DAY 3 – DUBAI

Drive 2 hours to Abu Dhabi for a tour of another great city of the UAE. Our first stop today is the Sheikh Zayed Grand Mosque, one of the largest mosques in the world and an architectural treasure of contemporary UAE society. Continue to Zayed House for a fascinating peek into the life of the late Sheikh Zayed, known as the "Father of the Nation." This museum, housed in an Emirati heritage village, includes the late President's cherished vehicles and gifts he received from all over the world.

Then take a drive along the Corniche Road, with a photo stop at the breakwater and the iconic hotel Abu Dhabi Emirates Palace.
